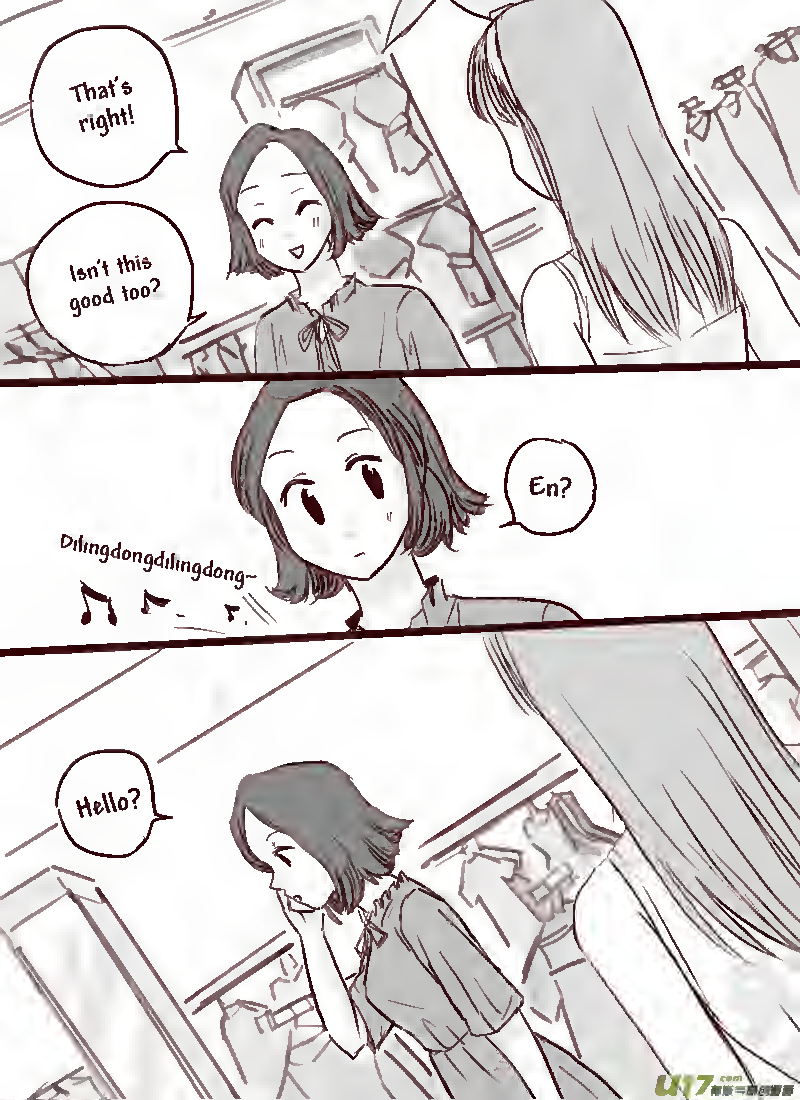
Okay,
I'll take it.
Um...
A soft little sister should gently say...
Please wrap it up for me.....
.....
Please,
Please wrap it up for me...



That's right!
Isn't this good too?
En?

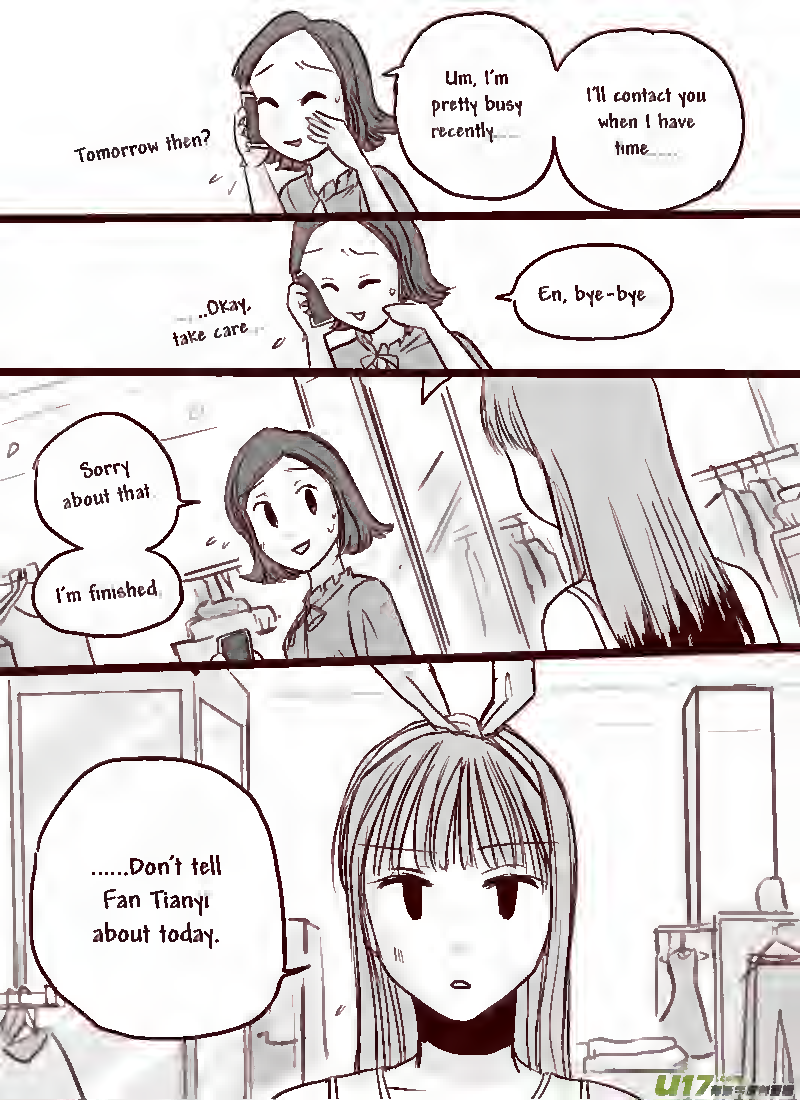
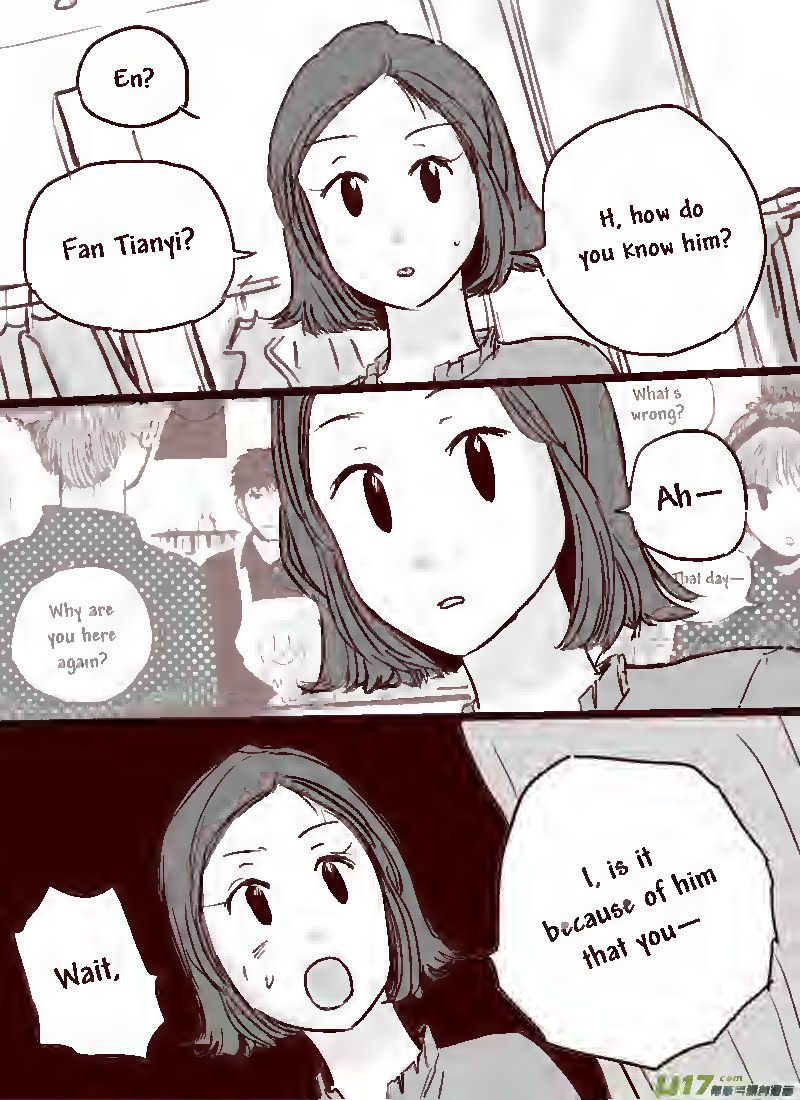
Hello?

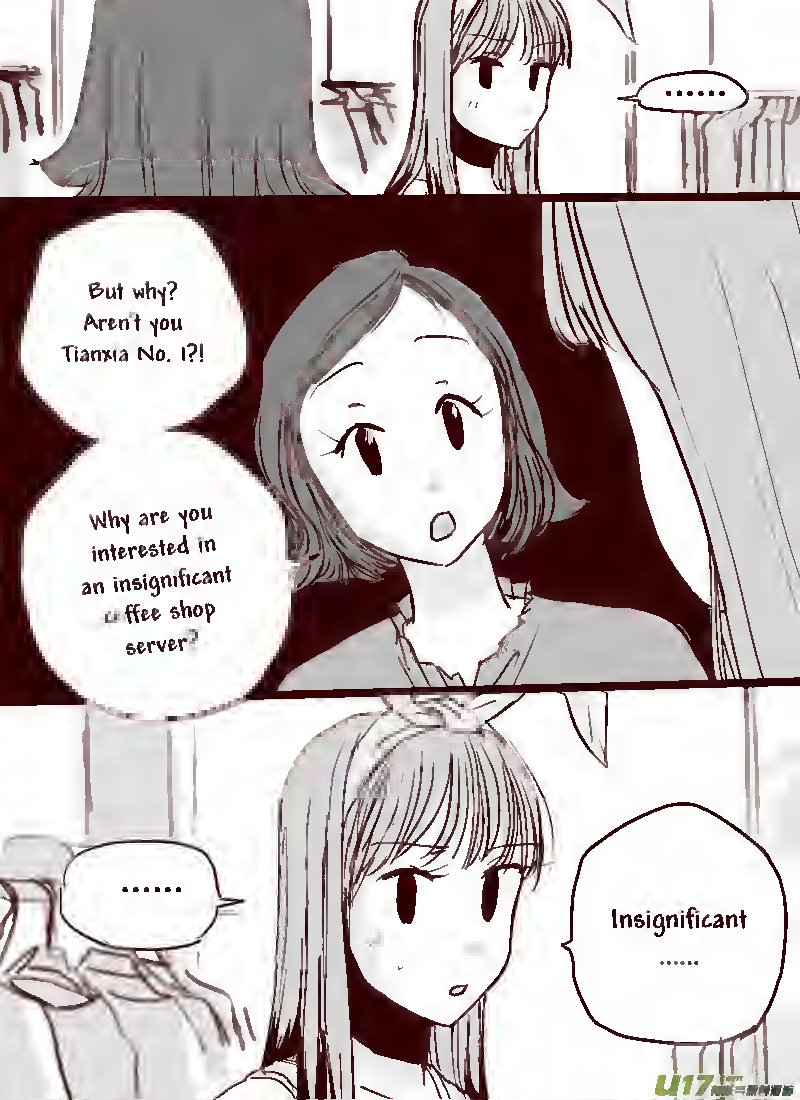
Hello?
Han Xue ah, I've finished work.
Do you want to get dinner together?
Ah.....
Tianyi.....
That,
I can't today.....
Fan Tianyi?
I, I'm with.....
A.....f, f, friend... ...



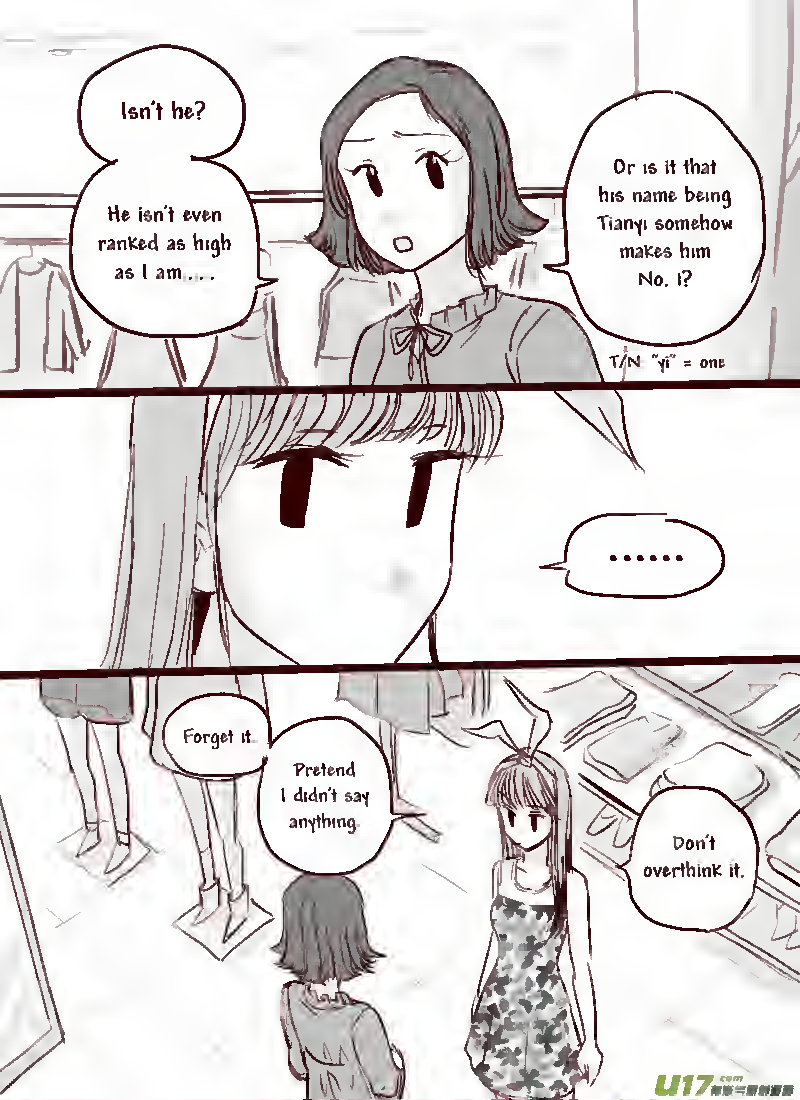
Tomorrow then?
Um, I'm pretty busy recently.....
I'll contact you when I have time.....
...Okay, take care
En, bye-bye
Sorry about that
I'm finished
.....Don't tell Fan Tianyi about today.



En?
Fan Tianyi?
H, how do you know him?
What's wrong?
Ah—
That day—
Why are you here again?
I, is it because of him that you—
Wait,



.....
But why? Aren't you Tianxia No. 1?!
Why are you interested in an insignificant coffee shop server?
.....
Insignificant
.....



Isn't he?
He isn't even ranked as high as I am....
Or is it that his name being Tianyi somehow makes him No. 1?
T/N "yi" = one
.....
Forget it.
Pretend I didn't say anything.
Don't overthink it.

It's getting late
You should get going
Oh...
Then-
Ah!
Really, then I'll be leaving!
I, I wish you success—
